5: Ikea - Sometimes a picture isn't worth a thousand words. The Sweden-based home-furnishings company Ikea is famous for its modernistic furniture styles and for one other thing: its wordless assembly instructions. Buy an Ikea computer station, for example, and you get 32 pages of assembly instructions without a single word—only ...

Poor Communication Examples | Examples of Bad Writing

Replacement part manuals and self-service instructions are common to be shipped with a new product. If they aren't physically included with the product, this type of documentation will usually exist online. Either way, it can be laborious to develop this technical content and it is vital that your customer can make sense of the documentation.
