Life On The Color Line

Life on the Color Line was a story of two young boys to men. I knew one of these men when in high school; my History Teacher. Never would I have suspected the hard life he had lived. He was the most dedicated teacher I had in all my years in high school.

Life on the Color Line: The True Story of a White Boy Who ...

Life on the Color Line is a uniquely important book. It is a wonderfully inspiring testament of purpose, perseverance, and human triumph. "Heartbreaking and uplifting... a searing book about race and prejudice in America... brims with insights that only someone who has lived on both sides of the racial divide could gain."—

Life on the Color Line by Gregory Howard Williams ...

Life on the Color Line is the perfect counter-balance to Rebecca Walker 's Black, White, and Jewish. While Walker is a Generation X child in middle class, coastal America, Greg Williams' childhood is a 1960's, poor, midwestern tale, and highlights the absolute diversity of the multiracial experience.

Life on the Color Line: The True Story of a White Boy Who ...

In his memoir about his youth, Life on the Color Line, Gregory Howard Williams, who grew up to become the dean of the Ohio State University College of Law, talks about his unusual upbringing as the child of a white mother and a black father, whose skin was light enough that he often passed for white.

Life on the Color Line Summary | SuperSummary

Life on the Color Line is a real life account of a young boy who grew up in the racist culture of the 1950's. Gregory Williams' father is half black and his mother is white, which deems him part black even though he looks completely white. Life is great for Greg and his family until he is about eight years old; then things start to fall apart.
