2100 Gps Navigon Free Update - waysnew

New to this forum and have found a lot of good info about different gps models. Have tried Navigon 2100max, Magellan 4250 and Garmin nuvi 750. Returned each one but have decided that the Navigon 2100max will fit my needs best of all. Wanting to know if Navigon has addressed the problems that I had with the 2100max.
