“strategy” is derived from the Greek word “stratēgos”; stratus (meaning army) and “ago” (meaning leading/moving).

Strategy is an action that managers take to attain one or more of the organization’s goals. Strategy can also be defined as “A general direction set for the company and its various components to achieve a desired state in the future.

Corporate governance concerns the mechanisms to direct and control an enterprise in order to ensure that it pursues its strategic goals successfully and legally. Agency Theory
The principal-agent problem is a core part of agency theory, which views the firm as a nexus of legal contracts.
