especially while eating and drinking. It is cumbersome to wear, especially when sleeping but I was happy to have it. I did take it off in the airport unless people were within 6 or so feet from me.

Are people wearing face shields along with masks in the airport?

The USS Cerritos (NCC-75567) was a Federation California-

Download Ebook Unless Carol Shields

class starship operated by Starfleet in the 24th century, under the command of Captain Carol Freeman. (LD: "Second Contact") Prior to stardate 57436.2 in 2380, the Cerritos suffered damage from several meteor impacts before barely escaping a black hole. Later, the ship's port nacelle struck an ice formation, causing a temporary power ...

The California class, nicknamed the Cali class, was a type of Federation starship in service during the 24th century. By the 2380s, the California class had been in service for a long time, such as that some examples of the class were beginning to "fall apart". However, new ships of the class continued to be commissioned. Starfleet Command was reluctant to
